* 4x lenses speaker track

https://www.cisco.com/c/en/us/products/collateral/collaboration-endpoints/webex-room-series/datasheet-c78-741051.html

The Cisco 100-890 certification exam is intended for individuals who provide onsite support for Cisco collaboration devices. These individuals may include field engineers, technicians, and support engineers. The exam validates the candidates' knowledge on how to identify and resolve issues related to Cisco collaboration devices. It also tests their ability to work with Cisco technical support to resolve complex issues.
